

# ***Shorter Hawk's Football Booster Club***

Dear Fellow Hawk's Family-

The smell of Football is in the air and the combined smell of Success for our Shorter College Hawk's makes a sweet aroma. There are only 9 days remaining until our **TEAM** reports to Rome and only 26 days until our Hawks strap on their helmets and go into battle against Western Carolina University in North Carolina- WE better get busy as a Football Booster Club.

The objective of our Football Booster Club is to Support our Shorter Hawk's Football Coaching Staff and Players. We provide financial support through donations, fund raising efforts like our Super Hawk's Night Celebration and tailgating events. Our goal this year is to raise in excess of \$100,000. [This money goes to a variety of things to help our student-athletes, including better accommodations on the road, travel gear, the year-end awards banquet and our web-site to name just a few.](#)

Now is the time for all of us to order our 2008 Hawk's Football Season Ticket Packages- there are many levels of participation:

Touchdown Club-includes Booster Club Membership  
First Down Club-includes Booster Club Membership  
12<sup>th</sup> Man Club-includes Booster Club Membership
